Carman - Gospel Music Icon

"I knew Chris to be a dedicated and caring pastor, but in his book *Murder in the Church* it is clear he takes dedication and caring to a whole new level, not by his choice, but by God's. I don't think I have ever seen a pastor drawn into a parishioner's crisis in the way Pastor Chris is drawn into the one contained in this book. The story is marked with tragedy, and yet, the way God redeems is truly remarkable. This story will take your breath away—several times; and finally, do so with a flash of God's Glory. Furthermore, this story, along with the lessons it teaches, addresses issues of our day that are timely and enlightening concerning the sovereignty, grace and mercy of God. My appraisal is that this story is less about the people involved, and more about the eternal purposes of God and His Son, Jesus Christ. I invite you into this adventure called *Murder in the Church*. But, be prepared; because it just may change you."

Bob Price – Host Family Life Network

"This story needs to be told. As much as I have ever recommended any book, I strongly recommend that you read *Murder in the Church*."

Jack W. Hayford – The Pastor's Pastor

"*Murder in the Church* is filled with *life!* Chris Schimel is helping trumpet Jesus' call and life-flow toward His people to be a beacon of hope to a confused, tormented and wounded world."
